STATE OF IDAHO, County of Nez Perce, ss:

COMES NOW THE UNDERSIGNED, who after being first duly sworn on oath
deposes and says as follows:

I am attorney of record for debtor above-named.

The attachment hereto is a true and correct copy of the client's account as kept
in our office for this proceeding and reflects a detailed itemization of reasonable
attorney fees and costs necessarily incurred in representing the debtor's interests
herein. Fees and costs to be allowed for payment by the trustee are \$ 282.00 per
attached records.

AFFIDAVIT OF COUNSEL RE ATTORNEY FEES AND COSTS -1-

26

Professional time necessary for the completion of the Chapter 13 process and incurred on or after 1 January 1998 is charged and billed at \$120 per hour, plus costs. (Prior to 1 January 1998, professional time was billed at the rate of \$100 per hour. Paralegal time is charged and billed at \$60 per hour.

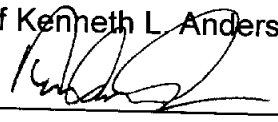

Typically, in consumer Chapter 13 matters, a fee retainer of \$550 plus filing fee of \$160, total \$710, is collected prepetition and credited against fees to be charged. The fee retainer may be higher in the case of a client with past or present business or other complex involvements.

Upon the occasion of an amended plan or motion to modify a confirmed plan, accumulated charges beyond those paid by the retainer are added to the administrative claim to be paid by the trustee upon approval by the court. If no amendment or modification is in order, but significant fees have accumulated, a motion to allow fees and costs may be filed. I do not solicit --and actively discourage-- direct client payments outside this process during the term of the plan. However, any fees and costs remaining unpaid at the conclusion of the plan are then billed and collected directly after allowance by the court.

At my discretion, certain usual and ordinary costs (routine long distance and cellular telephone charges, charges for third-party proprietary research facilities such as the Matthew-Bender Bankruptcy CD-ROM library and online charges, copy machine expense, postage, mileage to Moscow, etc.) are absorbed into the fees; costs more significant in amount are itemized and claimed apart from fees.

The trustee herein has approved this procedure and reviews all fees and costs for reasonableness.
